

SAFE EVENTS

MOVING FORWARD

ENSURING THE SAFETY OF ALL CUSTOMERS, ATTENDEES, AND OUR TEAMS AT THE EVENTS IS OUR TOP PRIORITY. WE ARE FOLLOWING THE SUGGESTIONS OF THE U.S. AND STATE PUBLIC HEALTH GUIDELINES AS THEY ARE DEVELOPING.

Clarion Events is committed to promoting and implementing best health and safety practices for our events. Here are a few things we are doing:

Temperature checks where required or recommended

Masks recommended in all event common areas (required will depend on the facility, city and state requirements)

Working with facilities to ensure deep cleaning daily that meets GBAC standards

Designated entrances/exits for buildings and hall floors

Pre-packaged food and beverage

Implementing social distancing measures in all sessions

Extra cleaning of all AV equipment

Reduced contact at registration areas

Increased hand sanitizer stations

Onsite COVID-19 response action plan
