HEALTH PASS™

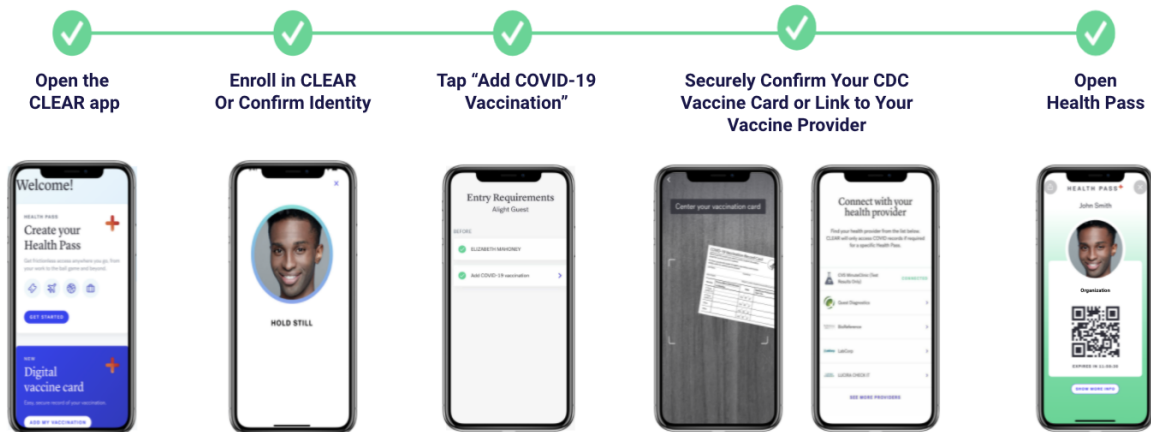

## CLEAR Health Pass – Speed Through Vaccine Check-In

As part of our commitment to the safety at THE NGA SHOW, all show participants must provide proof of a negative COVID-19 test result or proof of vaccination before checking in. This includes attendees, exhibitors, speakers, media, guests and staff.

- The NGA Show will be using **Health Pass by CLEAR**, which provides secure, digital proof of COVID-related health insights via the free CLEAR mobile app. Complete your health screening with **Health Pass by CLEAR** ahead of time for expedited check-in and entry! Download and enroll here: [Apple App Store](#) or the [Android App Store](#)
- In addition to Health Pass, if you'd prefer to not use the Clear app or have a vaccine other than Pfizer, Moderna, or Johnson & Johnson we will also accept proof of negative test result or vaccination by showing proof manually at our attestation desk via a paper or digital copy of your COVID vaccinations and your ID.
- For the most efficient entry possible, we recommend enrolling with CLEAR before the event to complete your COVID-19 pre-screening. Once your negative test result or vaccination record has been uploaded to the platform, it can typically take up to 30 minutes for your status to be verified. We encourage all attendees to complete this process at least 24 hours before the event for an expedited check-in experience.
